## You said...

*"Why did I vote natural? Easy—my skin doesn't break out. I have such a hard time finding the right products that don't make my skin even worse than what it is. Burt's Bees natural products don't make my skin break out or dry out like other products do. Natural is definitely the way to go."*

## On Our Minds

### We're Celebrating a Special Burt Day in 2009!

We're getting excited around here! Next year, we'll celebrate 25 years for The Greater Good™ with all kinds of special promotions, big events and some awesome new natural products. So stay tuned right here for all the details about the festivities and how you can get involved. Naturally, we want you to join in the fun and help us celebrate our 25th Burt Day!

## Hive Exclusive Sneak Peak

### Be one of the first to try Radiance Day Lotion SPF 15!

We're launching some wonderfully new natural products next month that you won't want to miss! We're particularly excited about our new **Radiance Day Lotion SPF 15**. This new product with natural SPF 15 protection is a great addition to the Radiance face care line you know and love.

**Email us** this month and you'll be included on our special preview HIVE VIP list. As a VIP, you'll be the first to know when it goes on sale at [burtsbees.com](http://burtsbees.com) so you can be one of the first to try it — and even better, you'll get a special free gift with every purchase of Radiance SPF 15 in January!
